

**Table 1.— LOG OF FISHERY PROPOSALS FOR 2011-2013
FEDERAL SUBSISTENCE MANAGEMENT PROGRAM**

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Yukon-Northern Area						
FP11-01 EIRAC	Salmon	Restrict depth of gillnets	YK, WI, SP – Oppose EI – Defer.	Oppose.	NO	Rejected.
FP11-02 Jack Reakoff	Chinook Salmon	Yukon River Chinook salmon conservation plan	YK, SP, EI – Oppose. WI – Support with modification.	Oppose.	NO	Rejected.
FP11-03 Andrew Firmin	Special provisions	Define three additional sub districts along the Yukon River	YK-Oppose. WI – Defer. SP – Took no action. EI – Support.	Support with modification.	NO	Defer proposal to next regulatory cycle to allow for additional public input and time for Federal and State managers to consider possible courses of actions
FP11-04 Mountain Village Working Group	Salmon	Restrict use of fish wheels	YK, WI, EI – Oppose. SP – Took no action.	Oppose.	YES	FSB withdrew proposals FP11-04, 05, 06, and 07 based on request from proponent which was supported by YK, WI, EI, and SP Regional Advisory Council Chairs/representatives.
FP11-05 Mountain Village Working Group	Special provisions	Restrict customary trade in Districts 4 and 5	YK, WI, SP, EI – Oppose	Refer to State's comments following analysis.	NO	
FP11-06 Mountain Village Working Group	Salmon	Restrict depth of gillnets	YK, WI, SP, EI – Oppose	Oppose.	YES	
FP11-07 EI RAC	Salmon	Depth of gillnets	YK, WI, EI – Oppose. SP – Took no action.	Support with modification.	NO	

Table 1.—(Page 2 of 3).

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
FP11-08 YKRAC	Salmon	Prohibit customary trade of salmon in FMA	WI & EI – Oppose SP – Took no action.	Support with modification consistent with the YK regional advisory council.	NO	Defer, so that a subcommittee, made up of members from the three Yukon River councils (YKD, WI, EI), can develop a recommendation.
FP11-09 YKD RAC	Chinook salmon	Revise customary trade recording	YK – Support with modification. WI, SP – Oppose. EI – Take no action.	Support with modification.	NO	No Action based on the action taken on FP11-08.
Chignik Area						
FP11-10 Chignik Lake Traditional Council	Salmon	Open closed sections of Chignik River fishery and expand allowable gear	Support with modification.	Defer.	NO	Adopt with modification, consistent with the RAC recommendation.
Kodiak Area						
FP11-11 KA RAC	King crab	Reduce harvest limit	Support.	Support with modification.	NO	Adopt.
FP11-12 KA RAC	Herring	Revise harvest limit	WITHDRAWN BY PROPONENT			
FP11-13 KA RAC	Salmon	Revise harvest limit	Support with modification.	Refer to State's comments following analysis.	NO	Adopt with modification, consistent with the RAC recommendation.

Table 1.—(Page 3 of 3).

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Kodiak Area (continued)						
FP11-14 KA RAC	Salmon	Clarify use of subsistence caught salmon	WITHDRAWN BY PROPONENT			
FP11-15 KA RAC	Salmon	Revise fishing times to align with State regulations	WITHDRAWN BY PROPONENT			
Southeast Alaska Area						
FP11-16 Michael Douville	Sockeye salmon	Revise season dates	Support with modification.	Oppose.	NO	Adopt with modification, consistent with the RAC recommendation.
FP11-17 Michael Douville	Sockeye salmon	Revise season dates	Took no action.	Take no action.	NO	No action taken based on action taken on FP11-16.
FP11-18 SE RAC	Eulachon	Close the eulachon fishery in sections 1C and 1D	Support with modification.	Support with modification.	NO	Defer the proposal to allow time for additional public input and study to address conservation concerns.
FP11-19	Salmon	Customary and traditional use in District 13	WITHDRAWN BY PROPONENT			
FP09-05 Deferred	Herring	Close Federal public waters in the Makhnati Island area	Defer.	Oppose.	NO	Defer the proposal, as requested by the Council to allow time for peer review of a study conducted by the Sitka Tribe of Alaska.
FP09-15 Deferred	All fish	Requests a “no Federal subsistence priority” determination for all fish	Oppose.	Support.	NO	Rejected.

**Table 2.—LOG OF FISHERY PROPOSALS FOR 2013-2015
FEDERAL SUBSISTENCE MANAGEMENT PROGRAM**

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Yukon-Northern Area						
FP13-01 Koyukuk NWR	Salmon	Rescind Federal permit requirement in the drift gillnet fishery in Yukon River subdistricts	YK & WI – Support EI – No action taken	Conditional support	No	Adopt
FP13-02 Fairbanks FWFO	Chinook Salmon	Revise marking requirements in Districts 1, 2, and 3, on the Yukon River	YK, SP, EI, WI – Support	Support	Yes	Adopt
FP13-03 GASH Advisory Committee	Pike	Establish harvest limit	YK & SP – Oppose WI & EI – Support	Defer	No	Reject
FP13-04		INVALID PROPOSAL				
FP13-05		INVALID PROPOSAL				
FP13-06 WIRAC	Chinook	Revise customary trade regulations	YK & WI – Support SP – Oppose EI – Took no action	Support	No	Adopt with modification
FP13-07 EI RAC	Chinook	Revise customary trade regulations	YK & EI – Support SP – Oppose WI – Defer to home region	Support	No	Take no action

Table 2.—(Page 2 of 4).

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Yukon-Northern Area (continued)						
FP13-08 YKRAC	Chinook	Revise customary trade regulations	YK – Support with modification WI – Defer to home region SP – Oppose EI – Took no action	Support	No	Take no action
FP13-09 EIRAC	Chinook salmon	Prioritize direct personal or family consumption use over customary trade	YK & EI – Support WI & SP – Oppose	Neutral	No	Take no action
FP13-10 YKRAC	Chinook salmon	Prioritize direct personal or family consumption use over customary trade	YK & EI – Support WI & SP – Oppose	Neutral	No	Take no action
FP13-11 YKRAC	Chinook salmon	Establish a limit for customary trade in the Yukon River drainage	YK – Support SP, WI, EI – Oppose	Support	No	Take no action
Chignik Area						
FP13-12 Chignik Regional Aquaculture Assoc.	Salmon	Revise location description and methods and means	BB – Oppose	Oppose	Yes	Reject
FP13-13 Chignik Lake Traditional Council	Salmon	Open restricted area and revise methods and means in the Chignik River drainage	BB – Support with modification	Oppose	No	Adopt with modification (note: modification was different from the recommended OSM and BB RAC modifications)

Table 2.—(Page 3 of 4).

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Kodiak Area						
FP13-14 ADF&G	Crab	Revise crab pot definitions, markings, and limits	KA – Oppose	Support	No	Defer
Cook Inlet						
FP13-15 Ninilchik Traditional Council	All fish	Remove expiration date and make Ninilchik fish wheel regulations permanent	SC – Support	Oppose	No	Adopt
Southeast Alaska Area						
FP13-16 Organized Village of Kake	Salmon	Eliminate fish marking requirements	SE – Support with modification	Oppose	No	Adopt with modification
FP13-17 Organized Village of Kake	Salmon	Eliminate harvest limits when refrigeration, freezing, or ice are not used	SE – Oppose	Oppose	Yes	Reject
FP13-18 SE RAC	Steelhead	Requests harvest limits be placed on individual streams on POW/Kosciusko Islands	SE – Support	Support with modification	No	Adopt with modification
FP13-19 SERAC	Sockeye	Revise Stikine River guideline harvest level	SE – Support with modification	Defer	No	Defer until January 2014 pending consideration by the Transboundary River Panel and the Pacific Salmon Commission
FP13-20 Stephen Huffine	Eulachon	Limits legal gear types for eulachon fishing in drainages of Burroughs Bay to dip net, hoop net, and cast net	SE – Oppose	Support	No	Reject
FP13-21 Stephen Huffine	Eulachon	Establishes a harvest limit for eulachon in the drainages of Burroughs Bay	SE – Oppose	Support	No	Reject

Table 2.—(Page 4 of 4).

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Southeast Alaska Area (continued)						
FP13-22 Mike Jackson Organized Village of Kake	Salmon	Eliminate harvest limits for Kake residents	SE – Oppose	Oppose	Yes	Reject
FP13-23 James See	Steelhead	Requests harvest limits for the Klawock River	SE – No action taken	Neutral	No	Reject
FP13-24 James See	All fish	Restrict designated fishers on Klawock River	SE – Oppose	Support with modification	No	Reject
Deferred from previous cycle						
FP09-05 Sitka Tribe of Alaska	Herring	Close Federal public waters of Makhnati Island	SE – Oppose	Oppose	Moved to non-consensus agenda	Reject
FP11-08 YKRAC	Chinook salmon	Prohibit customary trade when runs are insufficient to meet subsistence needs	YK – Support with modification SP – Took no action WI & EI – Oppose	Support with modification	No	Take no action
FP11-18 SERAC	Eulachon	Closes Federal public waters in Sections 1C/1D to eulachon harvest by all users	SE – Support with modification	Support with modification	No	Adopt with modification

**Table 3.—LOG OF FISHERY PROPOSALS FOR 2015-2017
FEDERAL SUBSISTENCE MANAGEMENT PROGRAM**

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Statewide						
FP 15-01 SC RAC	General regulations	Define "hooks", to allow with or without barbs	SE, KSA, WI, EI, NS – Support w/mod. BB, NWA, SP, SC, YKD – Support.	Support w/mod	Yes	Adopted w/mod
Yukon-Northern Area						
FP 15-02 Floyd Green	Salmon	Allow two 48 hours periods per week for subsistence fishing in the area of Rampart along the Yukon River	EI, SP, WI, YKD – Oppose	Oppose	Yes	Rejected
FP 15-03 EI RAC	Chinook salmon	Restrict the use of drift nets in Yukon districts Y1-Y6 to the take of Chinook salmon	WI, SP, YKD – Oppose EI – Support	Oppose	No	Rejected
FP 15-04 EI RAC	Chinook salmon	Delegate authority to the in-season manager to restrict drift gill net gear by time and area, and allowing set net use for subsistence purposes by time and area	WI, SP – Oppose YKD, EI – Take no action.	Neutral	Yes	Take no action
Kuskokwim Area						
FP 15-05 Native Village of Eek (Nick Carter)	All fish	Allow 24/7 subsistence fishing in subdistrict 1B of the Kuskokwim River during the month of June	YKD, WI - Oppose	Oppose	Yes	Rejected
FP 15-06 YKD NWR	Salmon	Authorize dip nets in Federal subsistence fishery	YKD, WI - Support	Oppose	No	Adopted

Table 3.—(Page 2 of 3).

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
Kuskokwim Area (continued)						
FP 15-07 Native Village of Chauthbaluk/ TVC (Lisa Feyereisen)	Salmon	Authorize dip nets in Federal subsistence fishery	YKD, WI - Take no action	Support	No	Take no action
Chignik Area						
FP 15-08 Chignik Lake Council (Alvin Boskofsky)	Salmon	Authorize the use of seines in Chignik River	BB - Oppose	Oppose	Yes	Rejected
Cook Inlet						
FP 15-09 Courtney Larsen	Salmon	Define area specific regulations for customary trade of salmon taken from the Kenai River	SC - Oppose	Oppose	Yes	Rejected
FP 15-11 NTC	Salmon	Authorize gill nets on Kasilof River	SC - Support	Oppose	No	Adopted w/mod (as amended)
FP 15-10 NTC	Salmon	Authorize gill nets on Kenai River	SC - Support	Oppose	No	Adopted
Southeast Alaska Area						
FP 15-12 Mark Kruse	Salmon	Allow the use of bow and arrow to take salmon	SE - Oppose	Oppose	Yes	Rejected

Table 3.—(Page 3 of 3).

Proposal Number and Proponent	Species	General Description	RAC Recommendation	ADF&G Recommendation	Consensus Agenda	FSB Action
0Southeast Alaska Area (continued)						
FP 15-13 Petersburg Advisory Council (Arnold Enge)	Salmon	Revise Stikine River subsistence fishery annual limits with roll over penalty for exceeding harvest limits, revise permit recording requirement, and institute daily hours	SE - Support w/mod	Support	No	Adopted w/mod (IAW SE RAC mod)
FP 15-14 Wrangell Advisory Council (Chris Guggenbickler)	Salmon	Revise Stikine River subsistence fishery annual limits with roll over penalty for exceeding harvest limits, revise permit recording requirement, and institute daily hours	SE - No action taken	Support	No	Take no action
FP13-19 SERAC	Sockeye	Revise Stikine River guideline harvest level	SE – Support w/mod	Defer	No	Take no action
FP 15-15 SE RAC	Sockeye salmon	Prohibit the use of seines and gill nets on the Klawock River during the months of July and August.	SE - Support	Neutral	Yes	Adopted
FP 15-16 SE RAC	Steelhead	Require immediate recording of harvested steelhead in POW fisheries for spring and winter seasons	SE - Oppose	Support	No	Rejected
FP 15-17 Sitka Tribe of Alaska	Herring	Close Makhnati Island herring fishery to commercial fishing	SE - Support w/mod	Oppose	No	Adopted
